Description

Sunrise Bay is a complex of villas located in Cala Romàntica, near Manacor, in the eastern part of the island of Mallorca. These villas have been designed to make the most of the beauty of Mallorca's natural light and offer an open and fluid layout. There are options for homes with 2, 3 and 4 bedrooms, with build sizes up to 150 square meters, making them ideal for families, couples, people seeking independence, those who want a vacation home or even for those who need a versatile place to telecommute from.

The kitchens are equipped with both wall and base storage units, as well as appliances that include a refrigerator, extractor hood, induction hob, microwave oven and dishwasher. Bathrooms are fitted with quality sanitary ware, shower tray, shower screen and faucets, and the master bathroom includes a mirrored vanity unit.

The homes are equipped with hot/cold installation and have pre-installation of home automation, which guarantees a high level of comfort and wellbeing. In addition, each villa includes at least one outdoor parking space for added convenience.

Sunrise Bay Residences offers a variety of amenities that allow residents to embrace the Mediterranean lifestyle without having to leave the resort. These amenities include outdoor and indoor pools to enjoy year-round, a fully equipped fitness center to stay active, a private cinema and gastrobar designed for spending quality time with friends and family.

For those who enjoy sports, the area offers a wide variety of options, including nearby golf and tennis clubs, such as the Son Servera Golf Club, Nadal Tennis Academy and Porto Cristo Tennis Club, all within a 15-30 minute drive.
