JAVIER JAMES

REAL ESTATE

Description

Introducing a stunning villa currently under construction in the tranquil residential enclave of Sa Font Seca, nestled between Bunyola and Palma. This exquisite property embodies a harmonious blend of modern living and natural elements, creating an atmosphere of understated luxury and earthy elegance.

Designed with the philosophy of 'landscaped architecture' at its core, the villa seamlessly integrates into its natural surroundings, blurring the lines between indoor and outdoor spaces. The architecture is a poetic interplay between the home and its environment, with the structure appearing to emerge organically from the land at times, and at others, almost disappearing into it.

Spanning three levels, the villa offers a thoughtfully designed layout. The ground floor features an open-plan kitchen, dining area, and living room, all designed to maximize light and space while maintaining a close connection to the outdoors. The upper floor is dedicated to four spacious bedrooms, each with its own en-suite bathroom, providing both privacy and comfort. The basement offers ample space for four cars, along with a laundry room and additional storage.

Expected to be completed in 2024, this villa represents the epitome of modern elegance, where architecture and nature exist in perfect harmony. Don't miss the opportunity to own a home that is not just a place to live, but a living part of the landscape itself.
